"We must be the change we wish to see in the world." Ghandi

"The ultimate measure of a man is not where he stands in moments of comfort and convenience, but where he stands at times of challenge and controversy." Martin Luther King, Jr.

I cannot begin to imagine the quality of my life had I never made the decision to join Delta Chi. The Fraternity has done so much for me. It has made me more personable, taught me responsibility and accountability, given me a life driven by values, and relationships that will last a lifetime. As a leadership consultant, I am committed to serving my beloved fraternity in any way possible. From supporting new colonies to providing chapters with new programming ideas, I have been blessed with the opportunity to give back to the Fraternity that has given so much to me. I look forward to the adventures I will encounter in the near future and the friendships forged, all in the brotherhood of Delta Chi.

In the Bond,

 Brian Detweiler
