*"It is not the critic who counts, not the man who points out how the strong man stumbles, or where the doer of deeds could have done them better. The credit belongs to the man who is actually in the arena, whose face is marred by dust and sweat and blood; who strives valiantly, who errs, and comes short again and again, because there is no effort without error and shortcoming; but who does actually strive to do the deeds".* ~ Theodore Roosevelt

*"It is as easy for the strong man to be strong, as it is for the weak man to be weak."* ~ Ralph Waldo Emerson

It has been my sincere pleasure to serve Delta Chi as a member of its staff for the past five years. I am excited to continue my service and be a part of the Fraternity's future and its success. The fraternity movement, including Delta Chi, is in a time of change. As a concerned fraternity member, I pledge to be a part of the change and uphold the values and principles of Delta Chi. I am confident that together we can make a positive change, and I look forward to serving as a resource.

In the Bond,

Karl Grindel  
 Assistant Executive Director
