“For me it all started with two turntables and a mixer.” – Paul Oakenfold

“We accept the love we think we deserve.” – The Perks Of Being A Wallflower (Stephen Chbosky)

“Life is what happens to you while you’re busy making other plans.” – John Lennon

I consider joining Delta Chi one of the best decisions I have made in my life. During my undergraduate studies I made lifelong friends and gained invaluable experience in so many areas. I’m thrilled to work for the organization that has given me so much. I’m most looking forward to meeting so many new brothers this year. I especially enjoy talking about recruitment and ideas for chapter events!
