From my first year as Executive Director, I have had a four point plan: 1. Increase our number of chapters, 2. Grow our financial capability to better serve our chapters, 3. Improve our programming and 4. Look better than what we really are so we can actually become better.

Favorite Saying: I long to accomplish great and noble tasks, but it is my chief duty to accomplish humble tasks as though they were great and noble. The world is moved along, not only by the mighty shoves of its heroes, but also by the aggregate of the tiny pushes of each honest worker. Helen Keller

Fraternally,
