

A Wish For Leaders

I sincerely wish you will have the experience of thinking up a new idea, planning it, organizing it, and following it to completion, and then have it be magnificently successful. I also hope you'll go through the same process and have something "Bomb-out."

I wish you could know how it feels "to run" with all your heart and lose.. horribly!

I wish that you could achieve some great goos for mankind, but have nobody know about it except you.

I wish that you could find something so worthwhile that you deem it worthy of investing your life in it.

I hope you become frustrated and challenged enough to begin to push back the very barriers of your own personal limitations.

I hope you make a stupid mistake and get caught redhanded and are bigH enough to say those magic words: "I was wrong."

I hope you give so much of yourself that some days you wonder if it's worth all the effort.

I wish for yo a magnificent obsession that will give you reason for living and purpose and direnction and life.

I wish for you the worst kind of critiism for everything you do, because that makes you fight to achieve beyond what you normally would.

I wish for you the experience of leadership.
