REMEMBER: BEFORE A MAN CAN BE INITIATED, the following **MUST** all be received in the Headquarters and acknowledged by the Executive Director:

1. His associate member dues of \$100
2. His initiation dues of \$205
3. His Personnel Record Form

This is designed to stop chapters from passing a debt on to future brothers. There is a **\$25 fine per initiate** for violating this policy. **It is required that the names and date of initiation** of everyone who did go through the Ritual be turned in with the Chapter Meeting Report for the meeting following the initiation for verification, and we will then return the initiation dues by check to the chapter for those individuals who did not go through initiation. Only after the man is fully enrolled will his shingle be ordered.
